WHAT IS CCTV MONITORING?

Why do you want or need a BS8418 compliant CCTV system?

- Constant and efficient monitoring of your premises.
- Have a Level One response from the police or other responding authority.
- Reduce your insurance liability.
- Such a system will reduce the risk of arson, theft and vandalism.
- To protect staff during the day and goods during the night.
- Protect expensive goods, which are stored outside eg. Cars, lorries, trailers or building products.
- Protect commodities such as cable, metals or equipment used for national infrastructure.
- Use as an enhancement to security guarding services and/or intruder & hold up systems.
